We welcome PCA Members and the Public to attend our special Open House. Bring your family and friends to make your own special vintage Valentine's Day card to keep or give away.

All craft supplies provided!

Also learn about the different "Valentine" symbols carved into grave markers as you stroll through the Pioneer & Military Memorial Park/Cemetery, participating in a Valentine Scavenger Hunt.

If you have not become a member of the PCA or need to renew your membership, this is an excellent opportunity.

A suggested donation of \$3.00 per Valentine or 2 for \$5.00. This is a fundraiser to help support our ongoing Grave Marker Preservation Project.
