Contact: Cindy Lee, Chairperson GMP, Geckofamilee@cox.net

Please join the team!

We need volunteers to help preserve our grave markers. This will be "Boots in the Dirt" fieldwork. You will be working on historical grave markers & plot fencing in the cemetery. There will be kneeling, stooping, sitting in the dirt, using tools, digging, and lifting stones (about 30 pounds). We work in teams for safety.

**This preservation is supported by a grant from the Arizona Historical Society
and PCA GMP Volunteer fundraising.**
